

## PROGRAM DESCRIPTION

OTEI is a community outreach program for Oakland's inner-city youth. The OTEI program offers middle school and high school students the opportunity to explore the Green Industry and the game of golf through:

- Field Trips
- Classroom Guest Speakers
- Internships
- Industry Conferences
- After-school programs
- Scholarships
- Career and Job Fairs
- Golf Outings
- Special Community Projects
- Agricultural Chemistry and Plant Biology courses
- Turf Seminars for high school and college level students

Students are recruited throughout the City of Oakland. Programs are developed annually based on the needs of teachers and students. Please contact us for more information about our programs.
